It is also shown by the records that this officer was commissioned as 1st lieutenant and captain, Company B, 45th Kentucky Infantry (Mounted), and he is recognized by the War Department as having been in the military service of the United States as of said grades and organization from February 1, 1864, and March 18, 1864, respectively. He was mustered out and honorably discharged the service with the company as captain December 24, 1864.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or soldiers of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as *h. b. &c.*, &c.; to describe particularly the disability, wound, or disease, the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by and on account of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Per 1880 Regulations, Ed. 1881.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after a sufficient time and examination to detect any attempt at deception.

DIRECTORS.

The certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the company detached to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward them to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channels, to the division commander; or, if the troops are not attached to a division, to his corps, department, or other authority to whom the certificate is directed, and may be specially designated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regt or detachment, post, or division commander, who will, if the discharge is authorized by the soldier's company commander, sign the soldier's discharge, and the certificate on this paper; or that the soldier is entitled to the proper final sentence in discharge, and forward them to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given by the hands of the soldier.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, *William Skiles*
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment
and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-
bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has
blue eyes, dark hair, fair complexion, in 6 feet — inches high.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign back enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Your communication of the 1st inst. has been received. The authority to recruit does not extend so far as to permit you to absent yourself from your command, or to disobey any orders from your superior officers. It gives you permission only to enlist men for three years' service.

It is presumed that Col. Brown would willingly assist you in any legitimate attempt to recruit - on your application to him. But you are not authorized, or desired to disobey orders. You had better explain the matter to the Colonel.

ARTICLES OF WAR.

When any non-commissioned officer or soldier shall die, or be in service of the United States, the then commanding officer of the company shall, in the presence of two other commissioned officers, make an account of what effects he died possessed of, above his necessaries, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the relatives of such deceased non-commissioned officer or soldier. Any of the officers, so authorized to take care of the effects of officers and soldiers, should, before they have accounted to the relatives for the same, have occasion to leave the regiment or detachment or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the adjutant, all the effects of such deceased non-commissioned soldiers, in order that the same may be secured for, and paid to the respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Inventory of the effects of deceased non-commissioned officers, required by the 95th Article of War, will be forwarded to the General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. The statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, the date, place, and cause; to what time he was last paid, and of other effects in his possession at the time of his decease; and it will be noted on the next muster roll of the company to which he belonged. Each inventory will be endorsed, "Inventory of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative of the effects, it will be stated in the report. If the deceased has no effects, the fact will be reported.

Should the effects of a deceased non-commissioned officer or soldier be administered upon within a short period after his decease, he should be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited by the Paymaster, to the credit of the United States, until they are claimed by the legal representatives of the deceased.

In all such cases of sales by the Council of Administration, a full and correct account of the proceeds, duly certified by the commanding officer, accompanied by the Paymaster's receipt, will be forwarded by the commanding officer to the General. The statement will be endorsed, "Report of the effects of _____, late of company (—) _____, who died at _____, the _____ day of _____, 186—."

The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased, these inventories are sent to the Adjutant General, their serials should be attached to the inventories. In all other cases, they will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF

Mr. John W. Wadsworth
45th Regt of N.Y. M.I.

VOLUNTEERS.

Due April 29, 1874.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due, the first, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to" have the payment returned on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of his final statement, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statement, his descriptive list, if he has one, should be taken up by the officer who gives the final statement, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statement, the obsolescence of his account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive his pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that his descriptive list is incomplete. These accounts for final pay, due, are sent by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to equipment, horse equipment, and other accessories, should appear under the heading of "Other Charges."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, to the General Auditor, Washington, D. C.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as *h. b. &c.*, &c.; to describe particularly the disability, wound, or disease, the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and the disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1860 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to state particular cause in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, gonorrhoea, blennorrhoea, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after a sufficient time and careful action to detect any attempt at deception.

REMARKS.

This certificate will be made out in duplicate by the company commander, or other officer commanding the company directed to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward them to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channels, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge subject men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channels to the regimental, post, or detachment commander, who will, if the discharge is authorized by the action of the proper authority, sign the soldier's discharge, and the last certificate on this paper; or, if the soldier is transferred with the proper final endorsement in duplicate, and forward both of them to the Adjutant General United States Army at Washington, D. C., they will not, under any circumstances, be given for the hands of the soldier.

FINAL STATEMENT

273

OF

Pi James M. Williamson

45th Regt of Hy Mt Infy

Quil VOLUNTEERS. April 27/64

Thomas Russell Capt

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled to" his discharge and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, come to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier's account on the master roll upon which his understanding of the Soldier's account is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Bd Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Laurence must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—The blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, to the Adjutant General, Washington, D. C.

ARTICLES OF WAR.

ART. 86. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or troop, by prearrangement or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the nearest military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be accounted for, and paid to their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

PAR. 122. Inventory of the effects of deceased non-commissioned officers and soldiers, required by the 86th Article of War, will be forwarded to the Adjutant General, by the commander of the company in which the deceased belonged, and a duplicate of the same to the extent of the inventory. Final statements of pay, clothing, &c., will be sent with the inventory. When a soldier dies at a post or station, absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his death; which report will be noted on the next muster-roll of the company in which the man belonged. Each inventory will be entered, "Inventory of the effects of _____, late of company (—) 1st _____, regiment of _____, who died at _____, the _____ day of _____, 186—. If a burial has taken place, the fact will be stated in the report. If the soldier leaves no effects, the fact will be reported.

PAR. 123. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his death, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be obtained by the legal representatives of the deceased.

PAR. 124. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be entered, "Report of the proceeds of _____, who died at _____, the _____ day of _____, 186—."

PAR. 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relative of the deceased, the inventory should be attached to the inventory. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

PAR. 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

OF
John F. Mills Private
4th Reg't of the Cal. Inf.
Dis June VOLUNTEERS. 20/64.
Thomas Russell Com

NOTE 1.—Two of these certificates (or duplicates) are to be given to a Volunteer Soldier or drafted man who may be discharged previously the discharge of his company, that he may at once receive from the Paymaster the pay &c. due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, on these certificates the Soldier is "entitled" his discharge, and should also present his discharge to the Paymaster have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both the final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect: "The undersigned should exhibit a full statement of those for which the Soldier was allowed pay on his final statements, the doing account, and all other charges against him or in his favor, as so to contain a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data on a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The subject of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these materials, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the St Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipment and other miscellaneous charges, should appear under the heading "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement; otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, to the Adjutant General, Washington, D. C.

In reply to your letter requesting a Descriptive List of William Bonner, a Private in Company D, 115th Regiment of New York Volunteers. I have the honor to furnish the following "Descriptive List" obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

William Bonner, Private in Company D, 115th Regiment of New York Volunteers, is

years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the _____ day of _____, 1865, at the town of _____ in the State of _____ by _____, and mustered into the service of the United States on the _____ day of _____, 1865, at the town of _____ in the State of _____ by _____, to serve for the period of _____ years, during the war.

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the month of August Dec 24, 1865, that he was last paid by Paymaster Maj. Tugely to the 3rd day of Dec, 1865.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

The above list reports him "Transferred from Co D to Co E, Jan'y 7, '64, and not returned to Co D," and was mustered out Dec 24, '64, Co "H" Mustered out July 14, '65, reported enrolled July 14, '65, and mustered out July 13, '65. Very respectfully,
Your obedient servant,
Edw. D. Preble

Assistant Adjutant General.

(7)

To (Prof. Huntington of Iowa)

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charge against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the muster roll, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

War Department

Adjutant General's Office,

Washington, March 31st.

Sir:

In reply to your letter requesting a Descriptive List of George Nelson Private in Company I, 45th Regiment Kentucky Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

George Nelson Private in Company I, 45th Regiment of Kentucky Volunteers, is 20 years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 1st day of November, 1863, at the town of Ashland in the State of Kentucky by N. D. Jones, and mustered into the service of the United States on the 30th day of November, 1863, at the town of Ashland in the State of Kentucky by John E. Henderson, to serve for the period of 1 (one) year, and "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Roll of his Company for the months of dated February 1st 1865 that he was last paid by Paymaster Crady to the 31st thirty-first day of August, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the same Roll he is noted Private Missing in action since December 22nd 1864.

Very respectfully,

Your obedient servant,

Robert Beck

Assistant Adjutant General.

To Call Charles H. Stetson 12th Inf
Muster Office

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander, and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

PLACATE WITH INVENTORY SENT 29 AUDITOR

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should contain a full statement of the time for which the Soldier was allowed pay on the final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will cover all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the "missing portion" of the Soldier's account may be secured upon the receipt of these muster rolls, and the Soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is missing. These accounts for back pay, &c., are sent by the St. Andrew of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other necessaries should appear under the heading of "Other Discharges."

NOTE 5.—Money paid by State authorities, and not by the United States, will not be entered on the statement.

NOTE 6.—Accounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well upon the final statement, otherwise the account cannot be collected from the United States.

NOTE 7.—This blank will be used for detached volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his discharge list, if he has one, should be sent with the final statements, in duplicate, to the General Auditor, Washington, D. C.

ART. 54. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the Adjutant General, and to the Adjutant General of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or troop, by promotion or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the adjutant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be received for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

PAR. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 54th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the Adjutant General. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory and final statements, and at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause, to what time he was last paid, and the money or other effects in his possession at the time of his death, which report will be noted on the next master roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____, regiment of _____, who died at _____ the _____ day of _____, 186—. If a legal representative receive the effects, it will be stated in the report. If the soldier have no effects, the fact will be reported.

PAR. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his death, authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

PAR. 154. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____, regiment of _____, who died at _____ the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

FINAL STATEMENT

of
Pvt. Charles J. Jones of
Co. A's 4th Reg't of Ry Mt Inf't

VOLUNTEERS.

Disch April 22 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Mt Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably to
the General Regulations of the Army, and that in my opinion he is free from all bodily defects and mental
infirmary, which would, in any way, disqualify him from performing the duties of a soldier.

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer,
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment
and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-
